	provides amazing power. With its 6.5 HP Vanguard™ engine and our
	patented 4-Blade Miracle Impeller it delivers great vacuum performance.
	The 8-inch diameter and short flow path of the JetPath® Vacuum
	System gets you 177% the debris flow area of 6-inch vacuum systems
	and powerful clog resistance. It can handle 285 gallons of debris. So, you'll clear more area, finish faster and have your yard looking its best
	all year.
